Funders Group Annual Meeting

Dear Terry,

Thank you for participating in the Annual Meeting and speaking on the Implementation:
Translating State and Local Initiatives into Effective Programs panel.

Your thorough and thoughtful presentation helped make the meeting a success. You provided valuable information and tools that informed and inspired the funding community's climate work. We appreciate the time and energy you shared with us prior to and during the meeting.

Thank you again for speaking at the meeting. We look forward to working with you again in the future.

Sincerely,
